

HEXSIL

HV

PROVEN SOLUTIONS FOR THE POWER TRANSMISSION MARKET

HEXSIL^{HV} OFFERINGS

- 65-80 Durometer
- Injection and Compression Molding
- IEC-TR62039
 - Tracking and Erosion Resistant
 - Hydrophobic
 - Arc Discharge Resistant
 - Flame Resistant (VO)
 - High-Tear Strength

Our competitors' vertical integration limits their offerings and design capabilities, as they rely solely on their own products. At HEXPOL, we are compounding experts who utilize products from all suppliers to develop tailored solutions for you.
