

## How to get to HEXPOL Compounding Queretaro SA de CV

### Directions

- Driving towards Queretaro from Mexico City on highway 57, after San Juan del Rio, take the exit/detour to San Luis Potosí (57D).
- Continue on this toll highway until it merges back with highway 57 (having avoided passing through Queretaro city).
- Immediately upon merging with highway 57, on the right hand side, there is the industrial park "Parque Industrial Queretaro". Exit to it and enter the industrial park.
- Continue straight ahead on La Montaña street until its end. The building with serrated roof in front is the Hexpol Compounding Queretaro plant.
- Turn left and immediately on your right is the entrance to Hexpol Compounding Queretaro plant
